

**Open Day on
campus
March 13th, 2010**

“Portes Ouvertes 2010” day was scheduled on March 13th, 2010. Many visitors (prospective students, parents, neighbours) did come on ISUGA campus; several presentations were arranged to present ISUGA programs:

- general presentation by ISUGA director, Mr Herve SALKIN;
- explanation of Chinese & Japanese classes by Mrs LI & YAMAMOTO, heads of Chinese & Japanese departments;
- presentation of “study abroad periods” by ISUGA 4 French students who just came back from Asia (semester with an Asian partner university in China or Japan);
- speech of two ISUGA alumni, MM. WOO & LE PAGE, who both have a senior position with local French companies.

Besides these presentations, visitors got a chance to taste delicious Asian (Chinese, Indian & Japanese) food prepared by several ISUGA Asian students. Moreover some Chinese & Japanese students proposed their “calligraphy services” to visitors willing to get their name written in Asian characters!
